

# See You on the Other Side

(Zuzana Lišková)

1.

Close is the day  
I have to go  
But it won't be so sad  
I dream about my heavenly home  
On a green meadow

REF:

See you on the other side  
With the angels in moonlight

2.

Island of blue, I can see  
A home of love, rest and peace  
One day in that place we'll meet  
You and me

3.

I am sure I'll miss you all  
But I'm too tired and old  
And when I sleep I can hear  
The angels' choir

4.

Close is the day  
I have to die  
But it won't be so sad  
I have seen some angels fly  
I say goodbye...

REF:

See you on the other side  
With the angels in moonlight  
I'll meet you on the other side  
I think I'll catch a train tonight
